Medical Screening Declaration

Thank you for choosing Tick Travel Insurance Australia.

This form details the pre-screening medical questions you were asked and the responses provided by you when we were preparing your travel insurance cover. Please read this document carefully and check the information we have recorded is correct.

You have a duty to take reasonable care not to make a misrepresentation when entering into this contract of insurance. It's important you understand you're answering our questions for yourself and anyone else you want to be covered by the contract, and that the insurance we offer is based on your answers.

When you answer the questions you must take reasonable care to give a true and accurate answer and fully answer the question. If you do make a misrepresentation to us, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both. If you make a fraudulent misrepresentation to us, we may refuse to pay a claim and treat the contract as if it never existed.

If any of the information is incorrect, you must inform us as soon as reasonably practicable by contacting us on 1300 235 444.

This document only constitutes a valid policy of insurance when read in conjunction with the policy schedule, the combined product disclosure statement and financial services guide (terms and conditions) and medical screening certificate.

Pre-Screening Medical Questions

We consider a pre-existing medical condition to be any diagnosed medical condition which, in the last 2 years, you or any insured person has suffered from or has received any form of medical advice, treatment or medication.

Pre-existing medical conditions include:

a. Any diagnosed medical condition, which, in the last 2 years, you or any insured person has suffered from or has received any form of medical advice, treatment or medication. Including:
   - any heart related
   - condition any blood
   - circulatory condition any diabetic condition
   - any breathing condition
   - any neurological condition, (including stroke, brain haemorrhage or
   - epilepsy) any arthritic condition
   - any back
   - condition osteoporosis
   - any bowel condition (including Crohn's disease or IBS)
   - any psychiatric or psychological conditions (including anxiety or
   - depression) any cancerous condition?
   - At any time in the past 12 months, have you or any person insured on the policy been referred to or seen by a hospital doctor, specialist or surgeon (other than an A & E doctor), or needed inpatient treatment in hospital?

b. Any medical condition for which you are receiving or waiting for hospital tests or treatment for any condition or set of symptoms that have not been diagnosed (under investigation).

c. Any medical condition for which you are travelling against the advice of a medical practitioner or travelling to get medical treatment abroad.

d. Any medical condition which you have been told will cause your death and the terminal prognosis is expected prior to the end date.

Your policy does not cover costs relating to a pre-existing medical condition that you are already aware of, unless you have told us about that condition and we have accepted the risk.

Please answer the following medical questions truthfully and accurately, inaccurate declarations may mean we are unable to cover any related claims.

Do you have any Pre-Existing Medical Conditions to disclose?

A: **No**

Are you waiting for hospital investigation or treatment for a condition or set of symptoms that are currently undiagnosed, or traveling to get treatment abroad?

A: **No**

Are you traveling against the advice of a medical practitioner or have you been given a terminal diagnosis and the terminal prognosis is expected prior to the trip end date?

A: **No**
